

Attention Students, Parents, and Guardians,

Beginning August 13, 2020 through May 27, 2021, school is “in session” except for approved EGUSD breaks. When school is “in session,” students may NOT work between the hours of 8:00 am and 2:00 pm, Monday through Friday.

The rules for a work permit are the same for distance learning as they are for in person learning. Students can NOT, under any circumstances, work during school hours.

- The maximum number of hours per week that students can work while school is in session – even in the distance learning model = 20 hours (16-17 year olds).
- The maximum number of hours per week that students can work while school is in session – even in the distance learning model= 18 hours (14-15 year olds).
- Students are also required to maintain appropriate attendance and school performance to maintain their work permit.
- Students with three (3) or more days (or 9 class periods) of unexcused absences within a school year will have their work permit revoked.
- Students must have a current GPA of 2.0 with no failing grades (F's) to obtain and maintain a work permit. Permits will be revoked at the end of the current quarter if the grades fall below a 2.0 GPA and have a failing grade (F).

Your employer will also be contacted to ensure that these guidelines are being followed.

If you have any questions, please feel free to contact me.

Thank you,

Melissa Hogge, Career Center Tech
